ALLIES & ORGANIZATIONS

Vigge was an entertainer, a strongman making a living as part of a travelling circus. One particularly rainy day, he was helping to put up the circus tent when he was struck by lightning. When he woke up, he found that the storm had awakened something ancient and wild within him - a sorcerous connection to wind and thunder. He also felt a divine calling stir in his heart, as if the heavens themselves had chosen him.

-----MORE POWERS-----

Heart of the Storm: Resistance to lightning and thunder damage. When casting a 1st+ level lightning or thunder spell, creatures within 10 ft take 3 lightning or thunder damage.

Storm Guide: Use your action to stop precipitation in a 20 ft radius around you, or choose the direction of wind within 100 ft of you.
